## Document Body

Carmen;

How about Friday morning for a call; anytime Friday is good for me. I'm out of the office today and Thursday. Also, can you send me the form or direct me to the information related to the notification and storage requirements before the call?

Thank you,

Greetings Linda:

We need to have another conference call, preferably sometime this week on a day and time that is convenient for you. This call would be to go over (1) the applicability of the Notification of PCB Activity to the Pechiney site and (2) the storage requirements for PCB remediation waste in reference to the PCB cleanup at Pechiney. I believe these important matters are not addressed in the July 2, 2010 conditional approval of the Pechiney PCB risk-based disposal approval application.

Please suggest days and times that are convenient this week to go over the above mentioned matters.

I thank you for your courtesies and look forward to our conversation.

Regards,  
Carmen
